FORMENTERA FILM

International festival of shorts, documentaries and animation. Formentera settles into role as cultural touchstone of shorts, video art and documentaries. In 2023, the Formentera Film Festival raises the bar and offers adults and youth the tools to dive into the world of short films with the pros. The ensemble makes for a well-established first-class tourist and cultural offer.

The Consell de Formentera continues to support initiatives like Formentera Film Festival because they break up the traditional summer season and, above all, because it is a benchmark in cultural quality.
